*“African and Swiss Christians pray together
for Switzerland and Africa”*

Eastern (Horn) of Africa region

Countries: Ethiopia, Eritria, Somalia, Djibouti, Sudan, South Sudan, belong to this region. The nearest East neighbouring countries are Kenya and Egypt.

The region is part of the sub-Saharan Africa and experiences various manmade and natural calamities. desertification at one side and migration on the other had due to long time war and regional conflicts had affected the region. Draught, flood, diseases, illiteracy, and deep-rooted poverty are the challenges. As the region is a strategic focal place for economic and political purposes, the countries exercise forced political and diplomatic ties with the world powers which is mostly a source of regional conflict among these nations and opens corruption.

Except few among those countries, the majority are not welcoming Christianity and Gospel work at all. As an example, the situation in Eritria is a very difficult one. Churches are going under suffering. Many evangelical and protestant believers and ministers are kept in jail and are suffering. Families and children are living under a terrible situation. Our prayers, solidarity and support in any form witnesses the love of Christ.

In Djibouti, Somalia, Sudan there is another form of challenge. As a Muslim nation, Christianity is not welcomed openly. The Christians there are mostly migrant Christians from other countries. The worship and evangelism work are mostly done underground. The natives cannot stay there if they accept Jesus.

Let us join our hands and hearts and kneel down under the throne of grace of the Lord.

May the mighty hands of God come over this region. Intercession prayer for the mercy from God. Let the blood shed stop and be peace. Shalom to the Horn of Africa. That the nations see the Love of God.

We pray for the divine intervention of God to heal the nations and their governments. To set people free from the bondage of sin and the devil. We pray for the empowerment of the Christians so that they tend to endure the challenge and prosper spiritually, in the wisdom and have revelation and opening of the eyes. We pray for the peace, power mission and evangelism, freedom. We pray for the visitation of the Lord.

We thank God for all his plan to the region, to those who suffer: for hearing our prayers. Amen!
